Abilities Workshop, Inc and Learning Partners for Success Announce Allied Approach to helping ALL teachers have access to Teach●able

Orlando, FL— September 1, 2022 —Today, Abilities Workshop, Inc announced immediate availability of Teach●able, enabling Educators throughout the State of Florida and beyond the opportunity to take part in a course designed for General Education Teachers to better understand tools available for them to have optimal success in the classroom with students that have special needs, IEP's or 504 plans.

Founded in 2019, Abilities Workshop, Inc has quickly become an industry leader in championing the process for families to best support their children with neurological /or medical disabilities. The company offers a wide range of products and services designed to help children be their best.

Learning Partners for Success has a mission of helping educators, schools and districts find courses to support to better prepare teachers for the wide-ranging level of demands they are faced with. “If teachers feel confident in what is expected of them, they will have more success and joy in their role of developing students” Elisa Clayton President of Learning Partners for Success.

“This joint approach will allow for more teachers in more places to feel equipped to work with children that have special needs in a qualified fashion,” said Jeanetta Bryant, Founder and CEO of Abilities Workshop, Inc.

Teach●able is a product driven by customer feedback and industry demand and is a part of Abilities Workshop, Inc's commitment to deliver the best resources so that kids with special needs can be their best.
